3. The term "Association," as used in this agreement, shall mean the Muscatine Education Association or its duly authorized representatives or agents.

ARTICLE II: GRIEVANCE PROCEDURE

A. Definitions

1. **Grievance:** A grievance is a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of this Agreement.
2. **Aggrieved Person:** An "aggrieved person" is the person or persons or the Association making the complaint.
3. **Party in Interest:** A "party in interest" is the person or persons making the complaint and any person, including the Association or the Board, who might be required to take action, or against whom action might be taken in order to resolve the complaint.
4. **Joint Grievance:** A joint grievance is a grievance in which the Association joins with an employee or group of employees in making a grievance.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable, expeditious, and informal resolution of the grievance if at all possible. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure, consistent with the provisions of Chapter 21 of the Code of Iowa (1985).

Terminations of teachers due to personal fault pursuant to section 279.27 of the Code of Iowa are not subject to the grievance-arbitration procedure. Terminations of teachers pursuant to section 279.13 of the Code of Iowa are subject to one review mechanism, either grievance-arbitration procedure or statutory review, at the employee's option.

C. Procedure

1. **Time Limits:** The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

Level one shall take place within twenty (20) school days from the date of occurrence of the event giving rise to the grievance or from the time when such event might reasonably have been ascertained to have occurred or

from the time when such event becomes known to the aggrieved person. These time limits shall not start until September first for any summer occurrences that give rise to a grievance.

2. Year-End Grievance: In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of 30 days thereafter.
3. Joint Grievance: The Association may declare the grievance to be a joint grievance at either level one or level two, but not after level two has been completed.

The Association is not required to hold separate informal and/or formal hearings under joint grievance at any level.

4. Level One - Principal or Immediate Supervisor (Informal): An employee with a grievance shall first discuss it with his/her principal or immediate supervisor, either by himself/herself or in the company of the teacher selected by him/her or with the Association's designated representative.
5. Level Two - Principal (Formal):
 - a. If, as a result of the informal discussion with the principal or immediate supervisor at level one, a grievance still exists, the aggrieved person may invoke the formal grievance procedure through the Association on the form set forth in Schedule A, within ten (10) school days from the informal discussion held at level one. The grievance form shall be available from the Association representative in each building and said form shall be signed by the grievant and a representative of the Association. A copy of the grievance form shall be delivered to the appropriate principal or immediate supervisor. If the grievance involves more than one school building, it may be filed with the Superintendent or his/her designee.
 - b. The appropriate principal or immediate supervisor shall indicate his/her disposition of the grievance in writing within ten (10) school days of the presentation of the formal grievance and shall furnish a copy thereof to the Association.
 - c. If the aggrieved person is not satisfied with the disposition of the grievance, or if no disposition has been made within the ten (10) school days period, the grievance shall be transmitted to level three.

6. Level Three - Superintendent: The Superintendent or his/her designee shall meet with the aggrieved person within ten (10) school days of receipt of the grievance. Within ten (10) school days of this meeting, the Superintendent or his/her designee shall indicate disposition of the grievance in writing and shall furnish a copy thereof to the Association.

If the aggrieved person is not satisfied with the disposition of the grievance by the Superintendent or designee, or if no disposition is made within ten (10) school days of the meeting between the aggrieved person and the Superintendent or designee, the aggrieved person may transmit the grievance to the Board by filing a written copy thereof with the secretary or other designee of the Board. The aggrieved person may bypass the Board and proceed directly to level five -- arbitration.

7. Level Four - Board: The Board, no later than its next regular meeting, shall review the grievance and shall have the option to hear the grievance or transmit the grievance directly to level five -- arbitration. If the Board determines that it shall hear the grievance then the Board shall, no later than its next regular meeting or ten (10) school days thereafter, meet with the aggrieved person to hear the grievance. Disposition of the grievance shall be made in writing by the Board no later than seven (7) school days after said meeting and a copy of such disposition shall be furnished to the Association.

8. Level Five - Arbitration:

- a. If the aggrieved person is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the time limits, the aggrieved person and the Association shall meet within five (5) school days of disposition of the grievance to discuss the merits of submitting the grievance to arbitration.
- b. If the aggrieved person or Association determines that the grievance is meritorious it may submit the grievance to arbitration within five (5) school days.
- c. Within ten (10) school days after written notice to the Board of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Federal Mediation and Conciliation Service

by either party. The list shall consist of three arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) school days, and the other party shall have one (1) additional school day to remove one of the two remaining names. The person whose name remains shall be the arbitrator.

- d. The arbitrator so selected shall confer with representatives of the Board and the Association and hold hearings promptly and shall issue a decision not later than fifteen (15) school days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
- e. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the aggrieved person. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Employees to Representation

- 1. Employee and Association: Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at all levels as a party in interest and to state its views.
- 2. Reprisals: No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
- 3. Released Time: When it is necessary for an aggrieved person or an Association representative to attend a formal or informal grievance hearing during the work day, said aggrieved person and representative shall be released without loss of compensation.

4. Individual Grievance: If the Association is satisfied with the disposition of a grievance at any level below level five, it may decline to continue as a party to the grievance and if the employee or group of employees continues the grievance they shall assume all financial obligations in place of the Association as heretofore indicated.

2. Written Decisions: Decisions rendered at level one which are unsatisfactory to the aggrieved person and all decisions rendered levels two through five of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association. A leave of absence without pay for up to one (1) year may be granted for the purpose of caring for a sick or injured member of the employee's immediate family. Additional leave may be granted at the discretion of the Board.

E. Educational Improvement

A leave of absence without pay of up to one (1) contract year may be granted to any employee, upon application, for the purpose of engaging in study at an accredited college or university reasonably related to professional responsibilities.

F. Outside Teaching

A leave of absence without pay may be granted for up to two (2) contract years for an employee who joins VISTA, or the National Teacher Corps, or who serves as a teacher in any domestic or overseas program or institution. Upon return from such leave, the employee shall be placed at the same position on the salary schedule and maintain the same fringe benefits as (s)he would have accrued had (s)he taught in the system during such period.

G. Association

Full time officers of the Association or its affiliate Iowa State Education Association and National Education Association, who are employed by the Board, shall be granted, upon request, an unpaid leave of absence, said leave not to exceed two (2) contract years. The Board shall allow such employees to remain part of the retirement system and to make regular contributions.

H. Return

Unless otherwise provided upon return from an extended leave of absence as provided in this Article, the employee shall receive credit for improvement on salary schedule, but not the annual increment.

ARTICLE XII: REDUCTION OF STAFF PROCEDURES

A. Layoffs

In the event the employer determines that employees must be laid off, the following procedures will be followed.

1. Layoffs shall be effected with the following groups and departments:

K-5; 6-8; 9-12

2. Layoffs in the above groups and departments will be made on the following basis:

The employer will determine which employees are to be retained in order to have the best staff available, and will consider employees needed to maintain program continuity, employees' seniority, evaluations, skill, qualifications, ability, Iowa Department of Education certifications and academic preparation. It is anticipated that seniority shall normally be the controlling factor; however, other factors may override seniority in unusual circumstances.

Those employees to be laid off will be notified in writing by the Superintendent or designee within five (5) days of the employer's decision.

B. Recall Rights

Probationary and non-probationary employees laid off pursuant to this Article shall have recall rights for two calendar years within the group or areas from which (s)he was laid off and shall be recalled to available positions within such group or area in the inverse order of layoff. Further, non-probationary employees laid off pursuant to this Article shall also have recall rights for two calendar years within the group from which (s)he was laid off and shall be recalled to any vacancy within their group (K-5, 6-8), 9-12) for which he/she is certified.

The employee shall notify the Board at the end of the first year of the employee's desire to remain on recall status. The employee, while on layoff, will also keep the Board apprised of changes, in writing, in their certification and/or endorsement(s). Employees shall have five (5) school days within which to respond to a recall notice.

C. Notification

The administration shall provide written notice to the Association and to each employee who may possibly be affected by reduction or realignment no later than April 30 preceding each school year. Such notice shall include specific written reasons for reduction or realignment of staff. The Board shall annually provide the Association with a current list of those who have retained such rights provided by this Article.

D. Benefits

Any individual reemployed by exercising his/her recall rights shall be given full credit for any relevant training and experience (s)he has obtained through other employment during the interim period.

ARTICLE XIII: HEALTH AND SAFETY

A. Protection of Employees

1. Use of Reasonable Force

An employee may, within the scope of his/her employment, use and apply such amount of force as is reasonable and necessary to quell a disturbance threatening physical injury to self and others, to obtain possession of weapons or other dangerous objects upon the person or within the control of the pupil, for the purpose of self-defense, and/or for the protection of persons and/or property.

2. Assault on an Employee

- a. **Reporting Assaults:** Employees shall, within 24 hours, report cases of assault suffered by them in connection with their employment to their principal or other immediate supervisor. Such notification shall be forwarded to the Association by the employee's principal/supervisor within 48 hours of the assault.
- b. **Leave:** When absence arises out of or from a reported physical assault, as described in paragraph a, on an employee while in the scope of his/her employment, the employee shall be entitled to up to three days of paid leave and shall not forfeit any sick leave, personal leave or other such leave.

B. Bomb Threats

In all cases, where a school official is notified of a bomb threat, no employees shall be required to search for a bomb.

The employee will be informed of the nature of the threat before being asked to identify objects/items within their classroom or area.

C. Safety Glasses

Employees who due to their teaching assignment require prescription OSHA approved safety glasses shall provide such documentation by an optometrist. These employees may be reimbursed up to 50% of the cost for such lenses and frames up to a maximum of \$100 each time there is a need for a new prescription or replacement. Normally these employees would be teachers of Voc-Tech, Voc-Ag and science at the middle and high school levels.

ARTICLE XIV: EMPLOYEE EVALUATION PROCEDURES

Memorandum of Understanding

During Academic 2002-03 the state enforced certain evaluation standards and criteria upon all of the school districts in Iowa as a result of such actions, the Muscatine Education Association and the Muscatine Community School District agree that the additional terms and conditions enumerated below will be in effect:

1. The provisions of Article XIV, Evaluation Procedures, and those negotiated for the 2005-2007 Master Agreement shall supersede the provisions of Article XIV of the 2003-05 Master Agreement for a period of 2 years. Modifications may be made to the replacement Evaluation Procedures during this two-year period by mutual agreement of the two parties.
2. The mutually agreed upon provisions for the replacement Evaluation Procedures for 2005-2007, are provided on the attached documents. We further agree to incorporate our existing side-bar into this process for working with teachers in need of assistance as per the requirements of the state requirements for Track III teacher in need of assistance.
3. The replacement Evaluation Procedures (see attached documents) will sunset on June 30, 2007. They may be renewed or adopted, with or without modifications, only by mutual agreement of the two parties.
4. If renewal of the replacement Evaluation Procedures is not mutually agreed upon by June 30, 2007, the Evaluation Procedures contained in the 2003-05 Master Agreement shall be reinstated as fully as state law will allow.
5. A probationary employee shall have a minimum of two formal observations, which shall take place each year of probation before April 20, with the first being completed before November 30.
6. A non-probationary employee shall typically be evaluated with one formal observation using the process described herein for Track I, not less than every third year.
7. Teachers involved in any of the evaluation procedures may still choose to also participate in the Phase III Plan process to access Phase III monies, if such monies are available.
8. It is our intent to make use of the descriptors developed by our nurses and administrators based upon Charlotte Danielson's for domains and 22 elements.

While it is our intent to use the University of Iowa and Cedar Rapids School District's descriptors for our media specialists and guidance counselors. We will use the same descriptors for teachers that we have used for the past three years, which were adapted from the State's model created by DOE and ISEA.

9. It is our intent to allow our certified teachers and evaluators to come to mutual agreements as to whether or not an employee will participate in the e-portfolio system, three ring binders, or box of artifacts. While we are all in agreement as to the need for data points, data sources and artifacts we are still going to be open as to the manner of organizing them. (The pre-observation materials will note which organizing process will be used.)
10. Every effort will be made to resolve any issues or concerns that may arise from disagreements over the implementation or interpretation of this process through discussions with the Director of Human Resources and the Association's appointed representative.
11. The district and association agree to reconvene the Evaluation Task Force as needed during this period for purposes of resolving any unforeseen issues which may arise during this period.

ARTICLE XV: TRANSFER PROCEDURES

A. Definitions

A "voluntary transfer" is the movement of an employee to a different grade level, building, or subject area upon a vacancy therein for the following school year. An "involuntary transfer" is the movement of an employee to a different grade level, subject area, or building by the Superintendent or designee.

B. Vacancies

If the Board desires to fill a vacancy, or has promotional position vacancies, in either case for the following school year and occurring prior to May 20th of any year, written notice of such vacancy will be posted by the Superintendent or designee on bulletin boards used by employees and our website (<http://www.muscatine.k12.ia.us>) no later than ten (10) working days after the employer decides to fill such vacancy. Employees who desire to apply for such positions shall submit written applications to the Superintendent or designee within five (5) working days of such posting. Employees who apply for such posted vacancies shall be given first consideration in the filling of such vacancies. No new staff will be appointed until all such employees have been interviewed and their transfer requests have been considered. This does not preclude a new person being appointed from outside the staff if that person is deemed, by the Board, to be best qualified for the particular position, considering experience, competency, and training. Employees not selected to fill such vacancies will be notified. At the applicant's request the Superintendent or designee will discuss the reasons for his/her decision. No employee in his/her first year of employment in the Muscatine Community School District is eligible to apply for such vacancies until after the successful completion of their first year and after June 30.

C. Request for Voluntary Transfers

Employees desiring a transfer to a different building, subject area, or grade level for the following year may submit requests to the Superintendent or designee in order that the employee will be notified of vacancies which occur when school is not in session. Vacancies will be filled in the manner set forth in paragraph B above.

D. Involuntary Transfers

Involuntary transfers of employees may be made by the employer when, in its judgment, such transfers are necessary for the efficient operations of the school system. Any employee so transferred will be notified, as soon as practicable, of the reasons for his/her transfer and, at his/her request, shall be entitled to a conference with the Superintendent or designee to discuss such reasons.

In the event of school building closing, affected teachers will have the right to request an interview with the Superintendent or designee. To the extent practicable, the Superintendent will consider the teacher preference before making transfers final.

E. Temporary Transfers

Nothing in this agreement shall be construed as restricting the employer from exercising its right to temporarily fill any vacancies, or to hire employees from outside the district for the remainder of the school year.

F. Transferred Employee's Rights

Employees voluntarily or involuntarily transferred will maintain their current positions on the salary schedule, seniority and fringe benefits.

ARTICLE XVI: SENIORITY

A. Definition

"Seniority" as used in this agreement shall mean an employee's continuous length of service with the Muscatine Community School District from the latest date of employment. The seniority status of employees with the same date of employment shall be determined by the dates their contracts were signed by the employees. Non-teaching coaches will not accrue seniority and are not part of this bargaining unit. Periods of approved leaves of absence not to exceed two (2) years shall be included in computing an employee's length of service.

B. Loss of Seniority

The seniority of an employee shall terminate if the employee resigns, is terminated, is laid off and not recalled within the time period as provided in Article 12, Reduction of Staff Procedures, or fails to respond to a recall notice as provided in Article 12.

ARTICLE XVII: PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

A. Continuing College/University Education

Any employee who desires course or seminar work from an accredited college or university to apply toward an educational lane change on the salary schedule must file written notification with the Superintendent or designee for approval. Only graduate courses from recognized colleges or universities and in the field in which the employee is currently teaching will be approved by the Superintendent.

State required courses will be approved. Other courses in education may be approved by the Superintendent at his/her discretion. Any employee in a graduate degree program approved by the Superintendent who has begun course work prior to December 1, 1980, and who has taken course work since May 1, 1980, will be granted advancement on the salary schedule in accordance with its provisions.

Approval will be given to audit classes if the same provisions exist as for granting staff development credit. Courses that are offered for graduate credit may be taken on an audit basis, if the only difference is the cost to the employee. Employees need to provide a Certificate of Completion or similar type of proof that the course was completed.

ARTICLE XVIII: INSURANCES

A. Types

The Board agrees to provide all full time employees and employees with 70% or more contracts with the following coverage:

1. Health and Major Medical: Each employee shall be covered by a health and major medical program paid for by the Board that meets the specifications of the contract in effect 7-1-05. Each employee shall receive \$2,200 in FY-03 and each year thereafter. So that the district's insurance plan was in conformance with the Iowa insurance code section 509.1, the unit has agreed to a non-precedent setting arrangement that means the district will contribute the full cost of the insurance plan selected, less one dollar per year.
2. Life: Each employee shall be covered by a term life insurance program paid for by the Board that provides a minimum benefit of \$50,000, double for accidental death in FY-01 and thereafter. Employees at their option and cost may purchase additional life insurance to the extent permitted by the insurance carrier.
3. Long Term Disability: Each employee shall be provided with a 70% LTD policy for accident and sickness, to age 65, with a qualifying period of 90 calendar days or expiration of such leave, whichever is greater.
4. Workers' Compensation: Each employee shall be covered by workers' compensation paid for by the Board.
5. Liability: Each employee shall be covered by a school liability policy paid for by the Board and providing no less benefits than are currently recommended by the Iowa School Board Association's state-wide Property/Casualty/Liability Group Plan.
6. Dental: Each employee shall be covered by a dental program paid for by the Board. Employees at their option and cost may purchase dependent dental coverage to the extent permitted by the insurance carrier.
7. Flexible Spending Account: A flexible spending account will be made available to employees subject to section 125 of the Internal Revenue Code. Employees who elect to set up a flexible spending account may use the account for insurance premiums, permitted medical care or dependent care. The Board agrees to pay any and all administration costs.

B. Coverage

1. The Board-provided insurance shall be for twelve (12) consecutive months.
2. Employees new to the district shall be covered by Board provided insurance no later than one (1) month after beginning employment for Schedule D or E wages.
3. Employees entitled to retire under the IPERS program who leave the district's employment may remain a part of the group health and major medical insurance program at their own expense.
4. Employees and retired employees shall, at the appropriate age, enroll in Medicare. Health and major medical insurance shall be supplementary to Medicare coverage.
5. Employees must be actively at work on the date of new coverages and must complete and return the enrollment forms to the business office, providing the requested information, prior to receiving coverage provided by the insurance carrier for new or improved coverages.
6. The Board agrees to provide a pro-rata share of the total fringe benefit package for part-time contracts less than 70%.

C. Descriptions

The Board shall provide each employee a description of the insurance coverage provided herein within ten (10) days of the beginning of the school year or date of employment, which shall include a clear description of conditions and limits of coverage as provided above. The Board will be responsible for providing insurance information in the form of applications and enrollment meeting.

D. Continuation

In the event that an employee, absent because of illness or injury, has exhausted sick leave accrual, the above mentioned benefits shall continue throughout the balance of the school year.

1. Paid Leaves: Board contributions shall continue for the period of the paid leave. In the event that a paid leave may expire during the month, and should the employee desire continued coverage, cost shall be prorated to the end of the month, on the basis of 20 days per month.
2. Non-Paid Leaves (Voluntary): Employees on non-paid leave shall have the option to continue the Board-paid programs by paying the premiums themselves to the Board on or before the first of the month. Cost computation shall be the same as in #1 for leaves commencing on a date other than the end of the month.
3. Non-Paid Leave Due to Exhaustion of Sick Leave: The cost of insurance benefits shall be prorated on a contract day basis and be paid on the same accrual as salary earnings. The employee may continue insurance coverage from expiration date of district-paid coverage to the end of the month of the beginning of the following school year or August 31, whichever occurs earliest, at their own expense.
4. Absence Due to Job Injury When Compensatory Wages Are Paid by Workers' Compensation: Insurance benefits shall be paid in the same manner as exhaustion of sick leave, less any use of sick days.
5. Layoffs: Employees provided health and major medical insurance receiving notice of layoff shall have the opportunity to participate in health and major medical insurance, at their own expense, after the expiration of district-paid coverage, according to the rules and procedures under the Consolidated Budget Reconciliation Act (COBRA).

E. Waiver of Health Insurance

Each employee shall have the right to waive out of health insurance by showing evidence of other coverage. The employee(s) that waive out of health insurance do not relinquish the cost of single coverage and may choose how such monies will benefit them. (There is a "cap" on this of \$220.00 per month.)

ARTICLE XIX: WAGES AND SALARIES

A. Schedule

The salary of each employee covered by the regular salary schedule is set forth in Schedule D or E, which is attached hereto and made a part thereof.

B. Placement on Salary Schedule

1. Credit for Experience: Credit on the employee salary schedule may be given for previous outside teaching experience in a duly accredited school upon initial employment. Credit for military experience or alternative civilian service required by the Selective Service System and credit for Peace Corps, VISTA, or National Teachers Corp work and appropriate business or industrial experience may be given upon initial employment.
2. Returning to the District: Any employee with previous teaching experience in the Muscatine School District may, upon returning to the system, receive credit on the salary schedule for all outside teaching experience, military experience, or alternative civilian service required by the Selective Service System, Peace Corps, VISTA, or National Teacher Training Corps work and appropriate business or industrial experience up to the maximum set forth in Schedule D.
3. Part Time Employees: Employees who work less than full time shall be placed on the salary schedule as in B-1 above. They shall receive a salary in proportion to their assigned workday.

C. Advancement on Salary Schedule

1. Increments: Employees on the regular salary schedule shall be granted one increment or vertical step on the schedule for each year of service until the maximum for their educational classification is reached. A year of service for purpose of advancement on the salary schedule consists of employment in the Muscatine District for ninety (90) teaching days or more in one school year.

2. Educational Lanes: Employees on the regular salary schedule who move from one educational lane to a higher educational lane shall move to the corresponding eligible step on the higher lane. For an employee to advance from one educational lane to another, he/she shall file suitable evidence of additional educational graduate credit with the Superintendent at the beginning of each school year. Additional educational graduate credit means hours completed after the degree is conferred.
3. Notification: The employee must notify the district by February 28th of their intention to request a lane change(s) in the next fiscal year and provide transcripts to justify such lane change(s) by October 10th. Unofficial evidence or proof of course work must be provided by September 10th.

Certificates of Completion of courses taken on an audit basis as per Article XVII, A., must be provided to justify lane changes by October 10th.

D. Longevity

An employee shall receive an annual longevity payment of 4% of the index base commencing with the twentieth year and extending through the twenty-fourth year. There will be an additional 1% of the index base for a total of 5% of the index base from the twenty-fifth year through the twenty-ninth year. An additional 1% of the index base for a total of 6% of the index base shall be given for thirty years or more of service. It is understood that all longevity applies to the years of service in the Muscatine Community School District.

E. Method of Payment

1. Pay Periods: Each employee shall be paid in either ten (10) or twelve (12) equal installments. Payments shall be made on the 20th of each month. Employees electing ten payments would not receive checks in July or August.
2. Exception: When a pay date falls on or during a school holiday, vacation, or weekend, employees shall receive their pay checks on the last previous working day.
3. Nine (9) month employees will have their payroll checks delivered to the employee's place of employment during the school year or they may choose to receive it at the Administrative Office. Nine (9) month employees desiring to receive their checks during June, July and August by mail will have their envelope deposited into the US Mail the night prior to the scheduled pay date or they may choose to receive it at the Administrative Office. Twelve (12) month employees will have their check delivered to the employee's building. The business office cannot be responsible for any delays in the delivery by mail if the employee's check is not received the following day.

4. Employees may elect to have their paychecks submitted by electronic fund transfer to a single bank account at a single bank of their choice. This practice shall be without charge to the employee so long as the cost per transaction does not exceed the cost of a first class postage stamp. Those who choose electronic fund transfer and are nine (9) month employees will have their pay stubs delivered to the employee's place of employment during the school year or they may choose to receive it at the Administrative Office. Twelve (12) month employees will have their pay stubs delivered to the employee's building. Nine (9) month employees will receive their pay stubs by mail during June, July and August unless they choose to receive them at the Administrative Office. The business office cannot be responsible for any delays in the delivery by mail if the employee's pay stub is not received the following day.

F. Extended Contract Rate

G. Other Rates

1. Teachers will receive a form in advance to sign that states the rate of pay for an activity.
2. Individual's per diem rate is granted to teachers teaching teachers and for Phase III programs (except teachers being a student and curriculum writing.)
3. The generator base per diem is paid for all items not covered in #2 above.
4. Tasks outside the contract day or contract year are not assignable except as in Section H below.

H. Extra Duty Assignments

Any employee who volunteers or is required to work an extra duty assignment will be compensated at the rate of BA generator divided by 193 divided by 7.5 times 60%, which equals the rate per hour. Such extra duty shall be paid for activities such as ticket-taking, scorekeeping, timing, crowd-control, supervising, linesmen, and bus chaperoning. Attendance at school programs will constitute an extra duty if the employee is a required supervisor of students. Each employee may be required to perform extra duty once per year.

Employees being required to perform extra duty shall be given at least three (3) days' notice and will not be required to perform extra duties during Thanksgiving, Christmas, or spring breaks.

I. Activity Passes

Each employee at his/her option shall receive an activity pass good to all events sponsored by the Muscatine Community School District. This pass will admit the employee and companion.

DISTRIBUTION OF PHASE II HF499 TEACHER SALARY INCREASES

It is agreed that HF499, if any, monies shall be distributed to all qualifying HF499 staff members in the following manner.

The gross allocation to the district shall first apply to the appropriate percentage for necessary fringe benefits: FICA, IPERS, long term disability, and worker's compensation.

After deducting the amounts required for fringes, the remainder of the allocation shall be distributed to qualified employees by developing a Phase II salary schedule identical to Schedule D including longevity of the current year's master agreement.

The base of the Phase II schedule shall be developed by dividing the indices of the scattergram including longevity of all qualified staff of record on the third Friday of September, into the remainder of the available funds.

Each member's share shall be determined as their Schedule D salary is determined for the regular contract year.

Payment shall begin with the October pay date and end with the following August pay date (11 pay periods). - Phase II payments shall be incorporated with the normal paycheck.

The Phase II base shall be refigured annually based on available Phase II funds, the current Schedule D salary structure, and scattergram indices including longevity of the qualified staff.

The Phase II salary schedule and the Schedule D salary schedule shall not be incorporated into one salary schedule.
